### Private storage from January 4<sup>th</sup>

From 4<sup>th</sup> of January it will be possible to seek support for private storage of pork meat. The changes from the last period with private storage in March 2015 are that the support rates are higher and that fat lard and piglets up to 20 kg is a part of the support arrangement. This time the arrangement is also more flexible it is possible to break the contracts regarding the private storage of pig meat after 2 months if the meat is being exported.
